4. Sign-in to PowerBI ②

The image shows a composite of two screenshots. The background is a screenshot of the OWNDAYS NET website's login page. At the top, there is a navigation bar with 'OWNDAYS NET', 'JP', 'EN', 'TW', and 'Home'. Below this, a 'ログイン情報' (Login Information) section is highlighted with a red oval. It contains the text 'ID: stores@owndays.co.jp' and 'Password: bU%S7x8B66th', each followed by a copy icon. To the right of the password is a 'Passcode発行' (Issue Passcode) button. Below the login information is a 'Sales' button. In the foreground, there is a screenshot of a Google Chrome browser window titled 'Sign in to your account - Google Chrome'. The address bar shows 'login.microsoftonline.com/7f14f38e-60c7-43ea-b175-fc11055cf3...'. The page displays the Microsoft logo, the email address 'stores@owndays.co.jp', and the heading 'Enter password'. There is a password input field with dots, a 'Forgot my password' link, and a blue 'Sign in' button. At the bottom of the browser window, there are links for 'Terms of use', 'Privacy & cookies', and a three-dot menu. A red arrow points from the 'ID' field in the OWNDAYS NET login page to the email address in the Microsoft sign-in window. Below the browser window, there is a Power BI logo and the text 'Sign in to view this report' with a green 'Sign in' button.

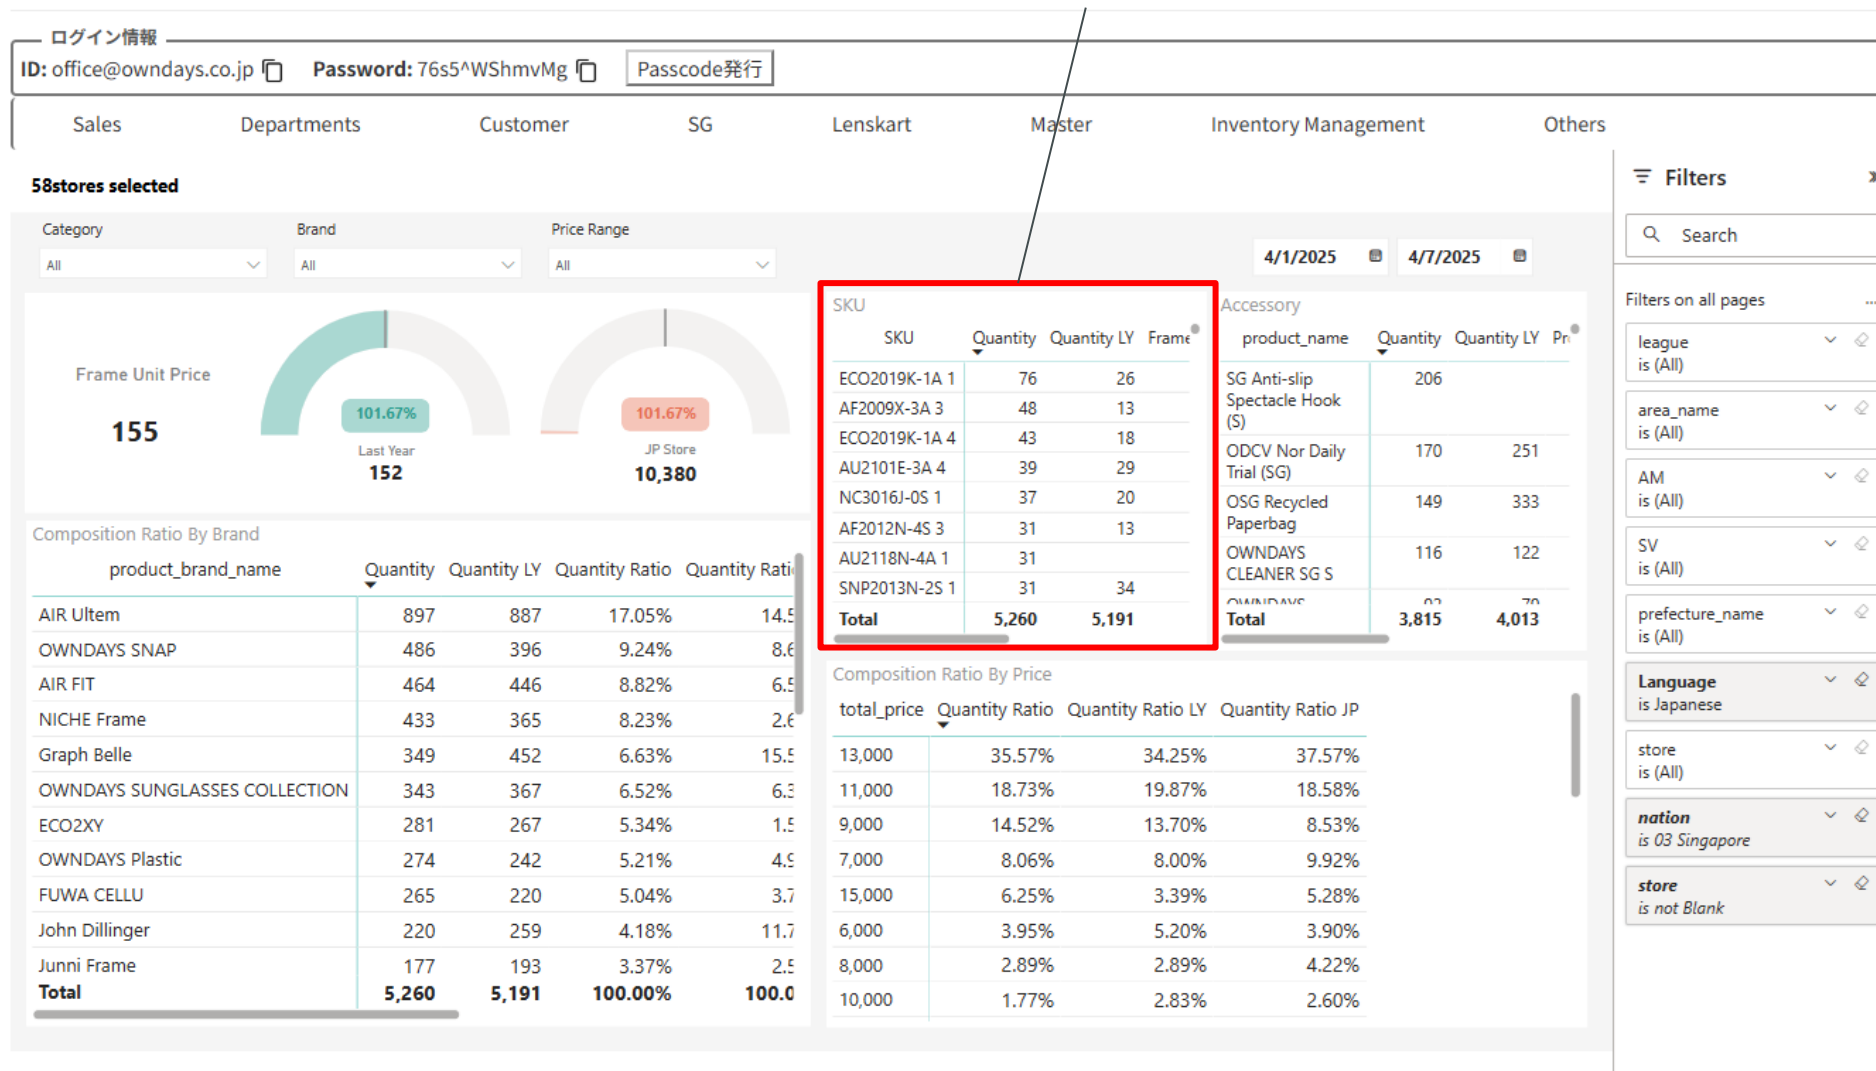

Copy and paste ID and Password shown on the screen.

DO NOT key in any other information (e.g. shop's email address) because it's hard to sign out and re-sign in.

After sign-in, you may need to choose the report menu again

5. Report Overview
